

Stability Fund

- The RTCS Stability Fund is a club in which families or individuals make monthly monetary contributions to Robinson Township Christian School.
- You may send a check to the school with the designated amount monthly, or make this payment by credit card. It is our plan, within the school year, to have the option for these monthly commitments to be taken automatically from your bank account and deposited directly into the RTCS Stability Fund.
- The Stability Fund provides sustainable funding to supplement the operating budget of the school.
- Club members will receive an annual report outlining the yearly progress of the school and noting all who have contributed to the Stability Fund throughout the school year.

Mission of RTCS

- The mission of Robinson Township Christian School is to provide a Christ-centered education in which students are motivated to seek wisdom and knowledge and to develop a Christian character and witness, so that they may faithfully fulfill their calling in church, family, and society.

RTCS serves grades preschool through 12 and is celebrating 33 years of educating students with a Christian worldview and equipping them for college and service in the private and corporate sectors. Students who attend RTCS originate from more than twenty western Pennsylvania communities. Our graduates are attending post-secondary educational institutions such as West Point Military Academy, Michigan State, University of Pittsburgh, Edinboro University, Geneva College, Robert Morris University, and Grove City College.
